

**Tell YOUR story. Share YOUR learning.**

**Shape OUR future.**

Please use this template to reflect on the different ways in which you have adapted during the COVID-19 pandemic and demonstrate what you have learned and anything you would do differently.

Your feedback will be collated and themed to inform future decision making within Belfast Trust.

**What area/Ward have you been working in during Covid?**

**Name (you can remain anonymous if you prefer)**

**Profession**

**What site have you been working in during Covid?**

**Describe your experience during the COVID-19 response.**

**What were you thinking and feeling during this time?**

**What was good and what went well during this experience?**

**What was challenging and could anything have been improved?**

**What impact has this had on you and your team?**

**What have you learned as a result of your experiences?**

**Is there anything you would do differently if there was a similar situation in the future?**
